

Portraits

Vocabulary

A great artist...

Produces creative work, exploring their ideas and recording their experiences.

Becomes proficient in drawing, painting, and design techniques

Evaluates and analyse creative works using the language of art, craft and design

Knows about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.

Art and Design objectives

Pupils should be taught to create sketch books to record their observations and use them to review and revisit ideas.

Pupils should be taught to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (e.g. pencil, charcoal, paint, clay).
