

'Love God, love yourself, love your neighbour'.

Spring 1 was short and jam packed and spring 2 is proving to be going in exactly the same direction. With World Book Day this week, Film Night, Comic Relief and Easter celebrations planned over the coming weeks, staff and pupils will have plenty of opportunities to be involved in the wider aspect of school life.

Last week our KS1 pupils conducted themselves extremely well in the Gymnastics competition, and came first in the group of cluster schools who took part. We are extremely proud of their achievements and I would like to say a super well done to the team.

Thank you to our parents for helping your children with the World Book Day costumes this week. This year this required an extra thought an effort as children dressed as a piece of vocabulary. We had some amazing entries and pictures of some winners can be found further in this newsletter.

A final reminder for film night which will be taking place next week on Wednesday 9th March. If you would like your child to take part please send in slips and money to the office by Monday.

Please note this is for years 2-6 only.

Have a lovely weekend all.

Mrs Hafeji

Ukraine

Next week we will be fundraising for the British Red Cross, and specifically for the people of Ukraine who have been caught in the conflict on invasion, which is so prominent in the media at the moment. On Monday Class U3 will be sharing with pupils how they can get involved. Please refer to the letter which you received this week to see which activities you would like your child to be involved in. All proceeds will be going to a great cause. Thank you in advance for your continued support.

On Friday 18th March we will be raising funds for Comic Relief which is again another fantastic cause which pupils at Bishop Bridgeman like to be involved in annually. You will receive further information about the day next week, but I am sure you would like to know the theme for this year. Pupils will have the opportunity for a donation of £1 to come dressed in their favourite super hero costume. This does not necessarily have to be a Marvel character and can include everyday super heroes such as doctors, nurses, fire people, or even teachers! Please look out for more information next week for other activities your children can take part in.

Attend & Achieve!

Pupils with good attendance benefit from a continuity of learning and maintaining friendships. If children are not regularly attending school, they cannot learn. Evidence shows a strong link between attendance and children progressing and reaching their full potential. The Educational Welfare Officer defines a child who has 90% attendance or below as a persistent absentee. The figures below are for last half term. Children who had green for attendance were awarded an additional play time this week. Well done to those who got green for Spring 1!
